APPA Fall Conference
October 5, 2019
Grande Bohemian Hotel,
Mountain Brook, Alabama

"ACES Primer" (5 mins.) KPJR Films

<https://vimeo.com/139998006>

(Deborah Bock, 2019)

Three Tricky Questions:

- (1) How many ACEs are there?
- (2) Which of the original ten ACEs best predicts that a child will also have other ACEs?
- (3) Why do older adults (in their 70's and 80's) generally report four ACEs?

(Deborah Bock, 2019)

Four Outstanding Resources

ACEs Too High
www.aceshigh.com

ACEs Connection
